Welcome Week 2011

Despite Hurricane Irene setting back move in day and cancelling Bed, Bath + Beyond After Dark, IRHC's Enjoy The Ride Welcome Week was a success. Housie was up bright and early on Monday to greet the freshmen moving into Weinstein. The next day we served over 1000 ice cream cones across campus, spreading the word about hall council and IRHC. Casino night attracted 2000+ students, who were treated to music from our top UVL acts from last year, EMEFE and the GaGa Quartet. Over fourteen hundred freshmen attended Housie's Barbecue where they mingled with the IRHC Executive Board, alumni, and Housie, learning about all the great benefits to joining hall council and IRHC.

Torch Day Preview

Torch Day is a leadership conference hosted by the IRHC designed to train the executive boards of every hall council in a variety of things: from inclusive programming to how to plan an amazing UVL preliminary to how to run a Relay for Life team. It also features role specific workshops that highlight specific skillsets for each hall council position. It is also the first large interaction between the IRHC E-board and GA members. We look forward to meeting all of you. We hope you're ready for our extra sassy, Real Housewives themed intro video.
